Futures opened quiet at a decline of 5,96 points on very disappointing cables. This was the chief feature of the day, as it was hard to explain Liverpool's attitude in the face of the encouraging reports from that market yesterday. After the first call the decline continued, although a weather forecast was posted promising rain for the portions of the Eastern belt where more moisture at this time will be a serious drawback to crop preparations. At the lowest prices were at a net decline of 12,915 points. Reduction is Prints.

FALL RIVER, MASS., March 18.—A reduction from 45-8 to 41-2 cents has been made in standard print cloths in the local market. The quotations on narrow goods remain unchanged. While the decline will tend to lower the margin between the cost of raw cotton and the price of the finished product, upon which the operatives wages are based, it is thought that the recent reduction in the price of middling uplands cotton will practically restore it.

STERLING DISMISSED.

Court Holds Him Not Guilty of Attempted Kidnapping.

[Special to The Times-Dispatch.]

NORFOLK, VA., March 18.—David Sterling, arrested in Cape Charles on the charge of kidnapping Merritt Cutler, the eight-year-old son of John Cutler, of 111 Falkland Street, was to-day dismissed in the Police Court. Merritt testined that he went to the Eastern Shore with his "uncle Dave" of his own free will and accept. He said that his "mamma" was sick in the hospital, he could not see her and understood that she was willing for him to visit his uncle. For that reason the little fellow went with his uncle. The young man testined that he had no idea there would be any serious objection to the boy going with him on the visit.
